Sherri Mead

Sherri,

It is so hard to write to somebody who I will cherish the rest of my life. I will never forget all the times you've helped me out when I have been down! I don't know of anybody else I feel closer to and feel like I can depend on than you. One of the greatest things about it is that my parents cherish you as much as I do! They are all the time telling me that they sure are glad I have a least 1 true and wholesome friend. I Think that is really neat. I can hardly wait until we get into the full swing of being in Girls' league! I feel that you are souly responsible for me making it! I feel that in my heart and are in debt to you always for it. I really wish that you were going to be at the prom with me! I don't say that to make you sad, I say that because I wish we could share the experience together. Maybe someday we will find 2 total Babes who are best friends like we are and go some place together! I know that someday the right ones will come along all we have to do is just wait!! So far I haven't had much luck in finding the right one!!

Sherri, please take care of yourself! Don't do to much because I couldn't bare life without you!

Love you forever & ever

Kerry

P.S. I think somebody is starting to cry!

Well miss Trisha!
I can't wait till next year. It is going to be such a blast in Girls League. I wish we could of seen eachother more this year, but we will make up for it next.
Remember you party when we killed Steve Arlts house.
See you in the Summers

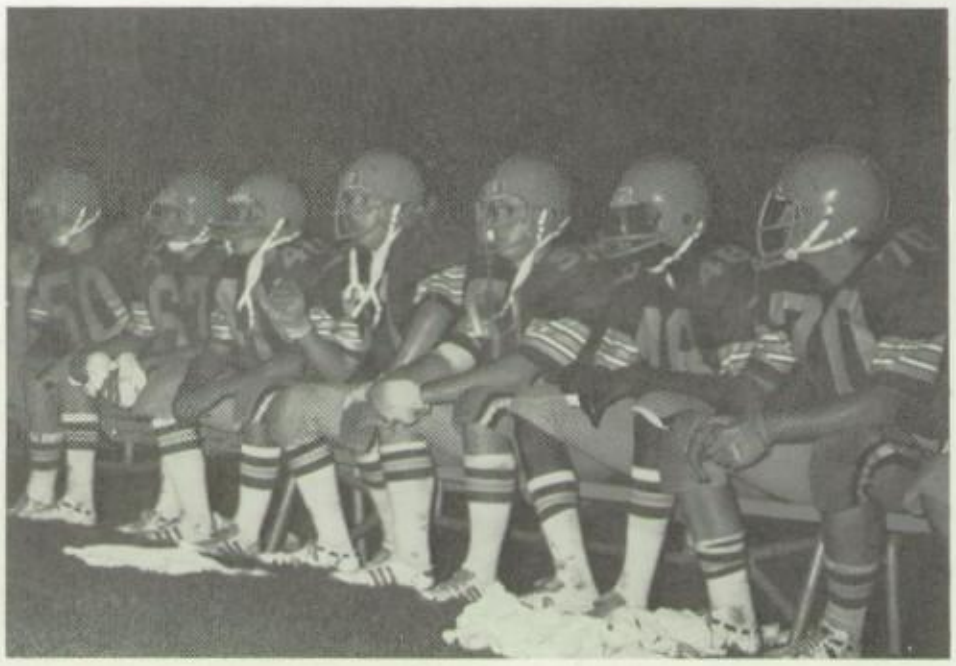
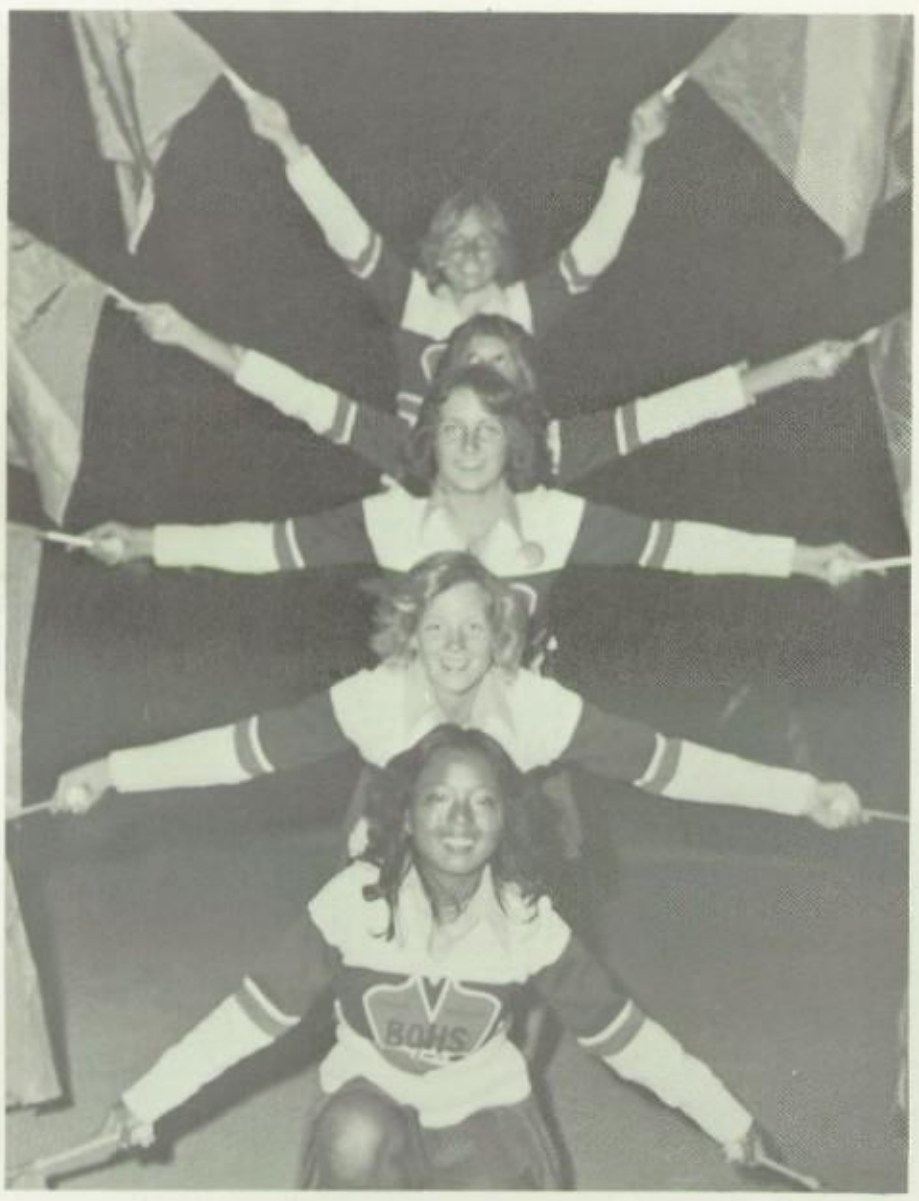
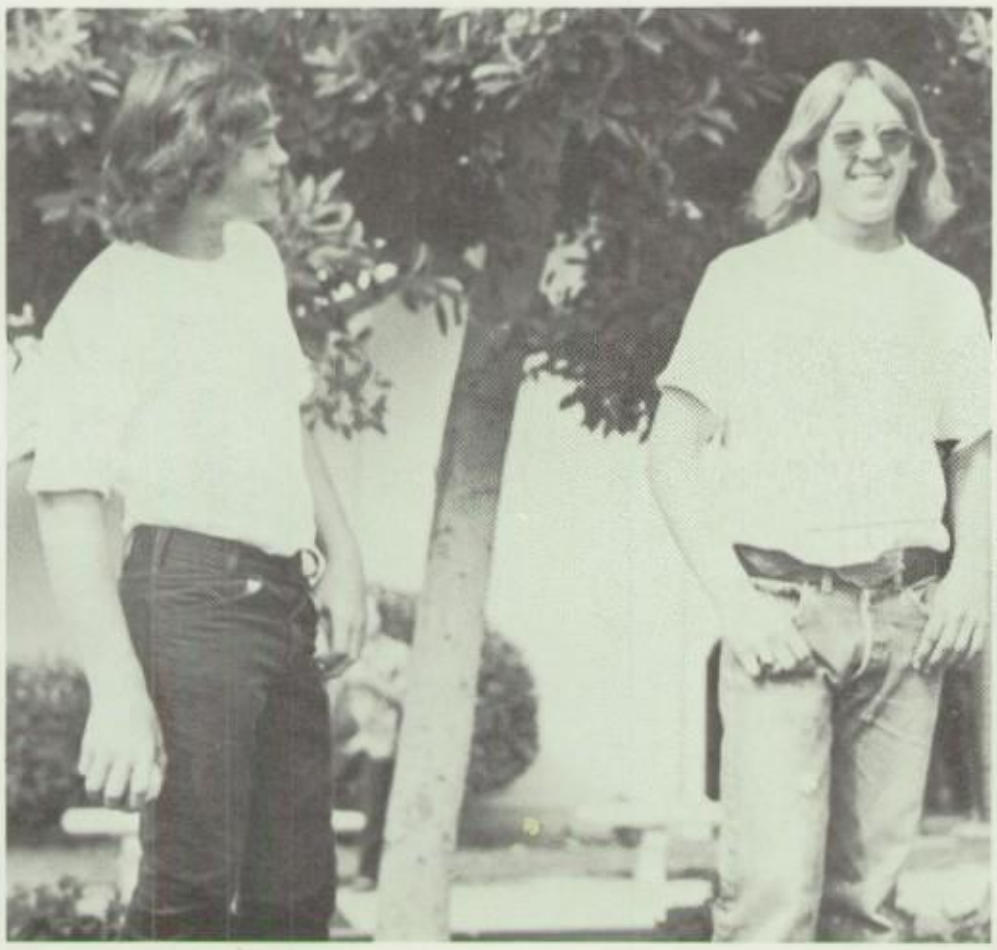
YESTERDAY BECOMES MEMORIES,

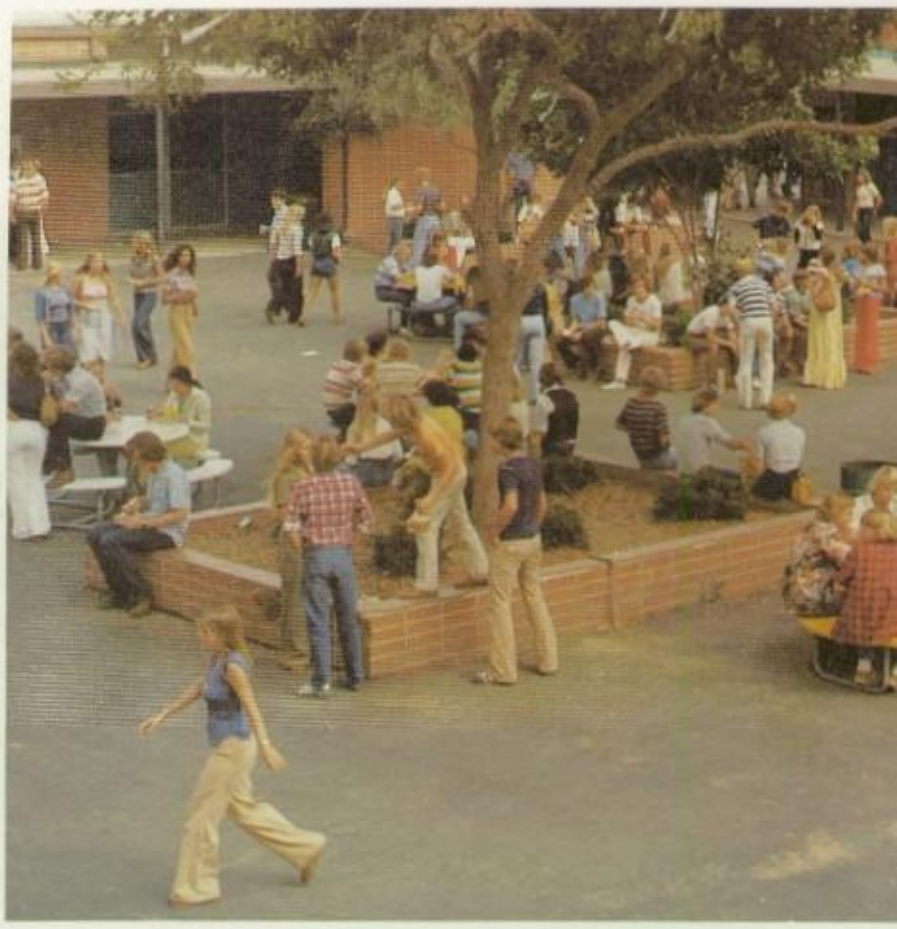


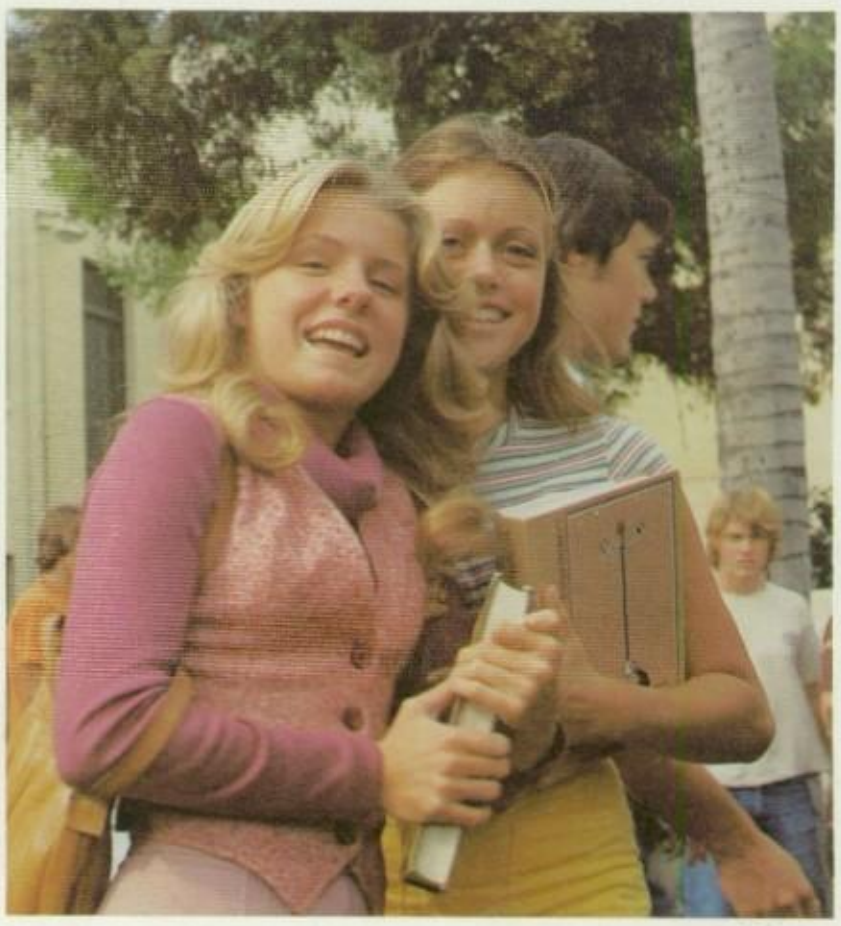


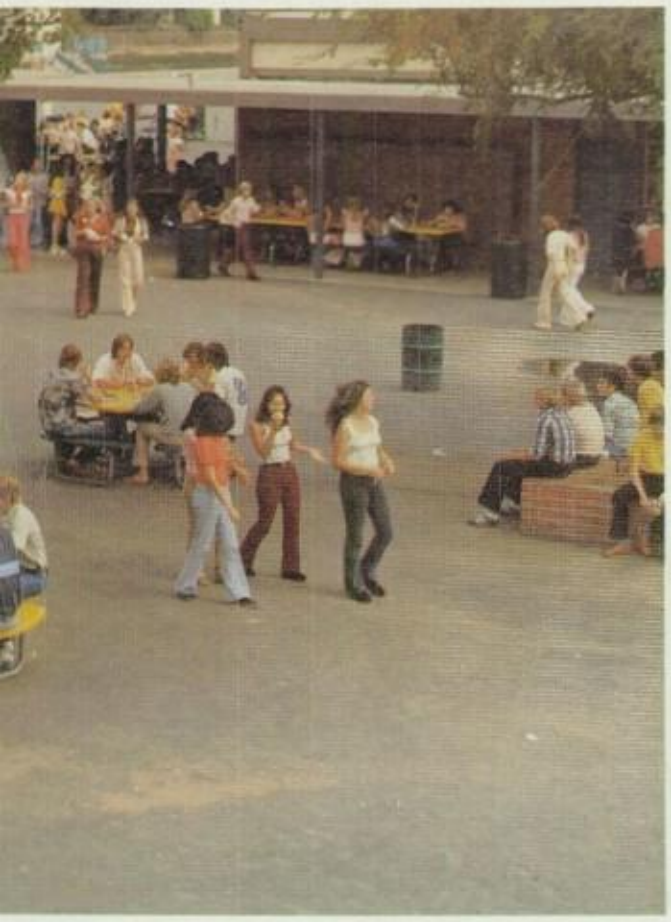


TOMORROW REMAINS A DREAM

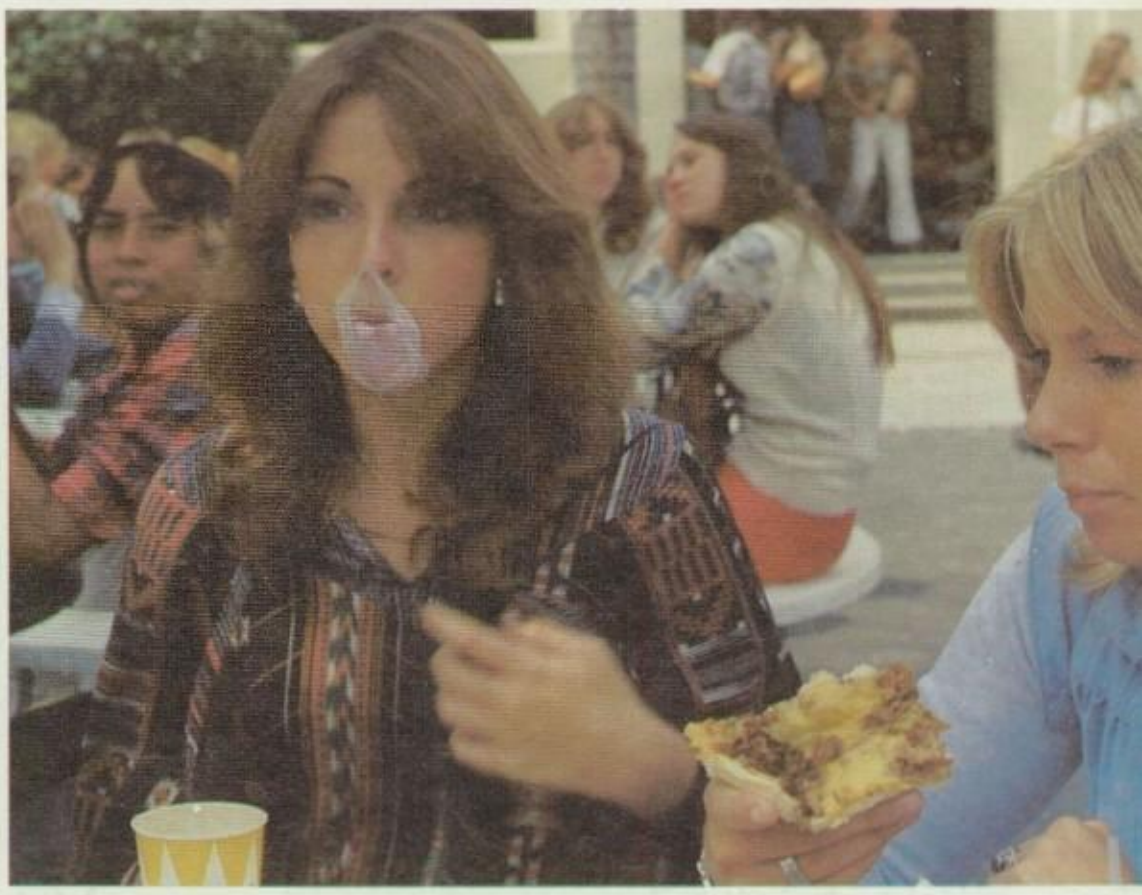
WHEN YOU ARE GOOD TO OTHERS . . .

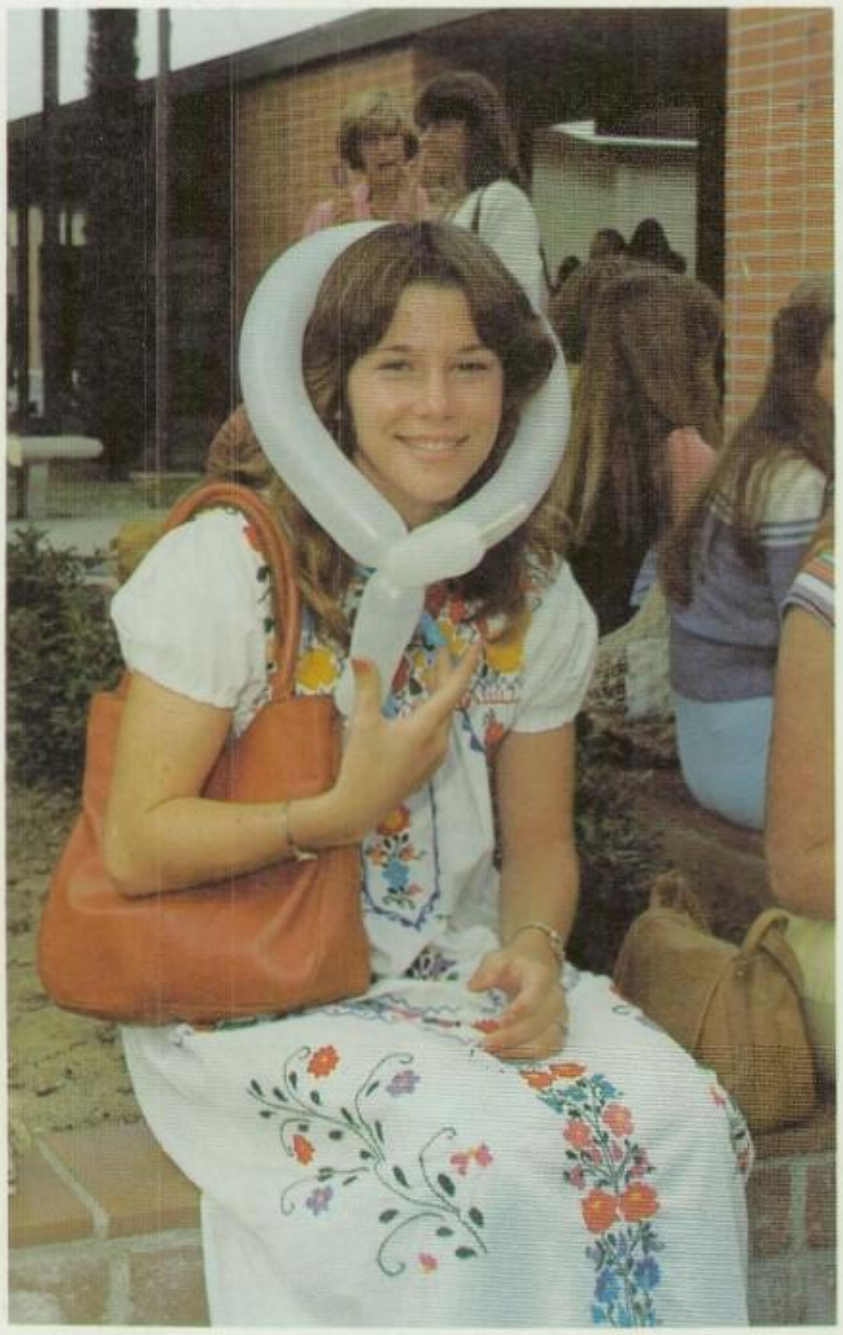






YOU ARE BEST
TO YOURSELF.





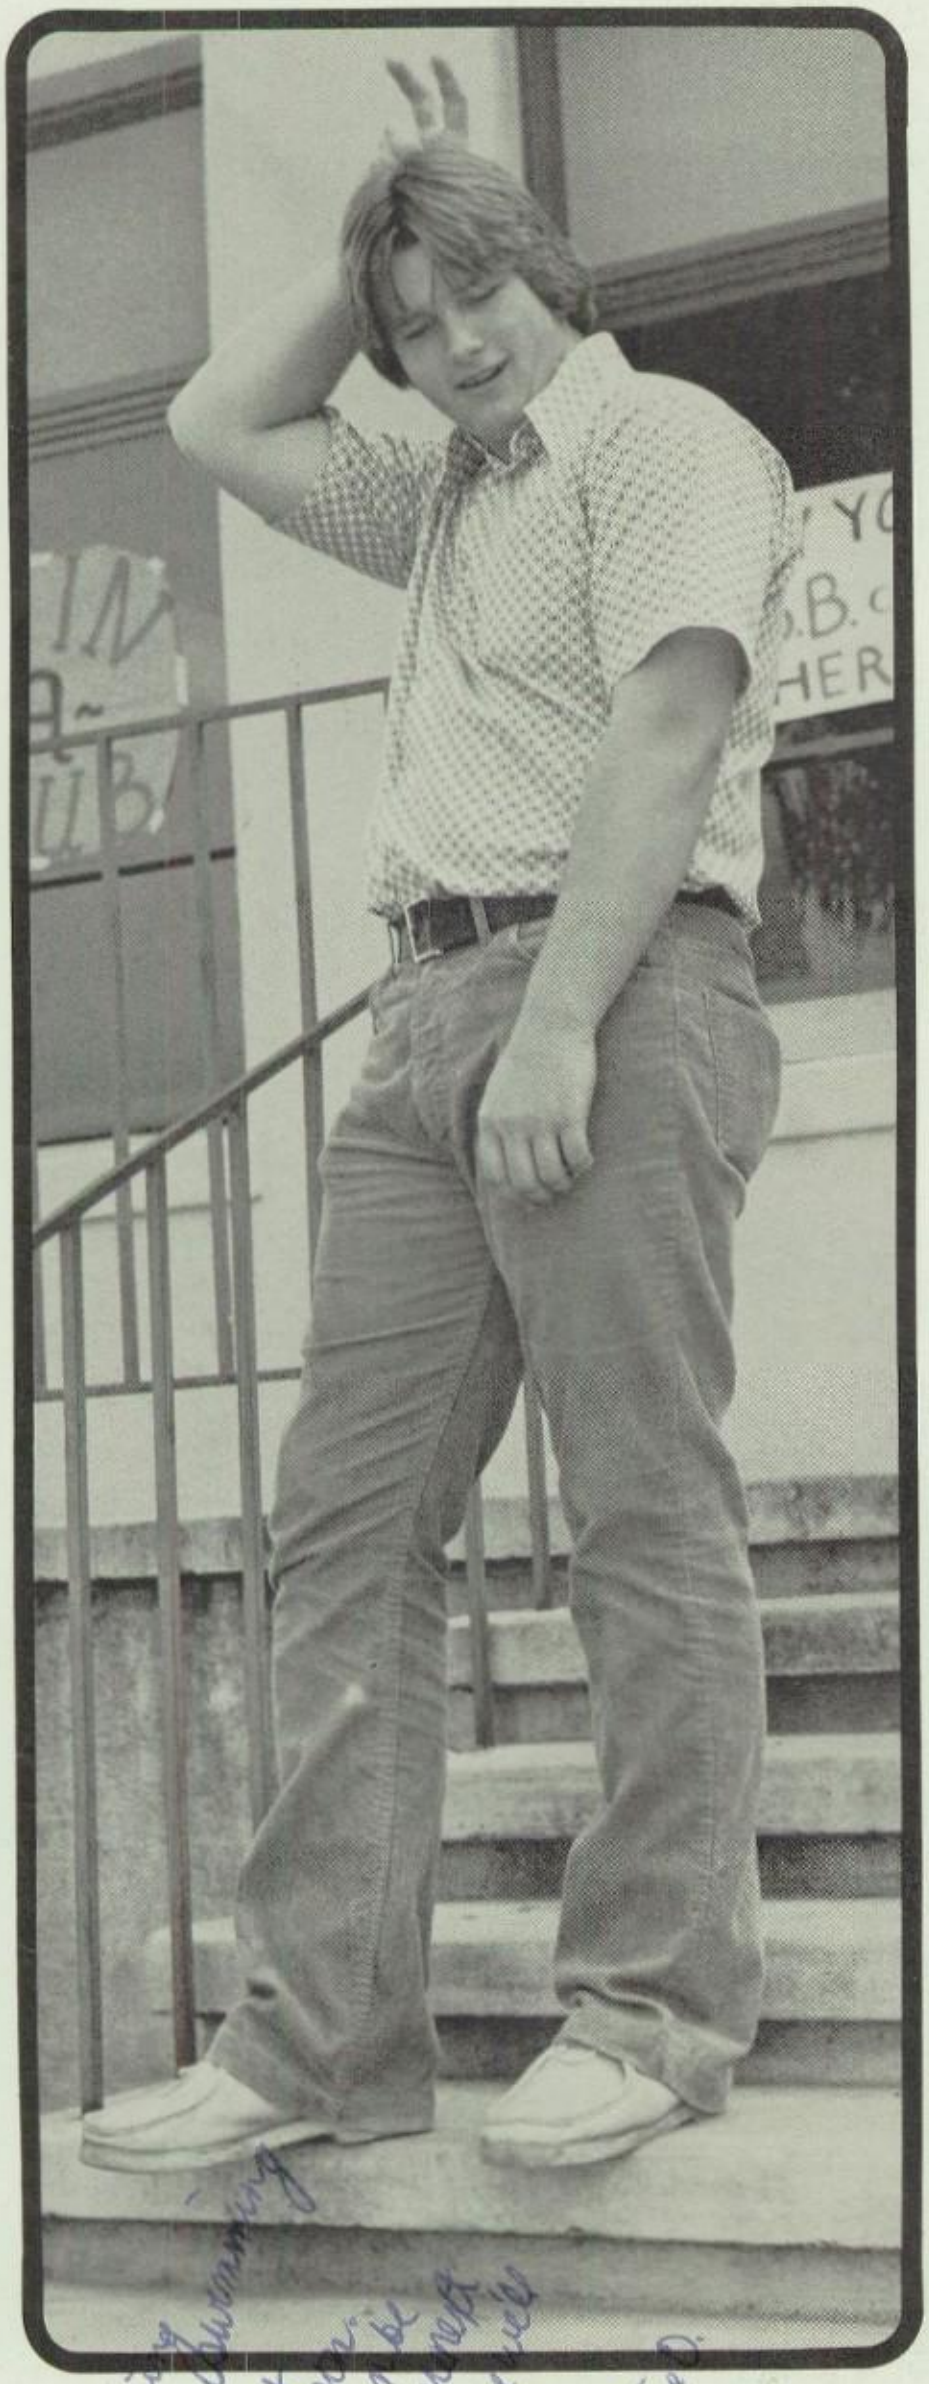
Sheri,

I really can't tell you how much I love and admire you. God gave you so many talents and I have seen how you are using them in your everyday experiences. I've been watching you and I can tell so easily how you have grown in God. You truly do have the fruits of the spirit. Peace, love, joy, kindness, understanding... It's so hard for me to put into words how I feel about you. You are one of the few people I truly feel comfortable with, I know you won't tell my secrets or give me bad advice. I know I can trust you with my heart or even my life!

We've been through a lot together and we still have a lifetime ahead of us. I love you now and always will.

Love in Christ,
Courtney

Time is:
too slow for those wait
too sad for those who cry
too fast for those who love.



Sherri,

You're really a super sweet girl. I really am going to miss your sweet smile. Have alot of fun in the future. Good luck next year.

Love,
Lori Server

Seniors

Senior Officers: Pres. Lori Server, V.P. Laura Shipkey, Sec. Sonia De Luca, Treas. Cindy Bonine, Rep. Bonnie Brown.

SENIOR CLASS: WE'VE ONLY JUST BEGUN

This year promised to be a good one and, in my opinion, it was. The second annual Christmas Formal was held December fourth at the Fullerton Student Lounge, and it turned out fantastic. "Senior Ditch Day" in the snow was really fun. This year's Jr.-Sr. Prom was held at Lion Country Safari on June eleventh and turned out great. Sunday, June twelfth, brought our Baccalureate. Of course, our final plans included graduation practice and then, on June sixteenth, the real thing, Commencement! After that, off to La Mirada Bowl for the All-Night Party and our last few hours together as the Class of '77.

I just want to let you know that I have enjoyed being your Senior Class president, and I hope I will see you all often in the future.

Love always,

Farewell to you and the youth I have spent with you.
It was but yesterday we met in a dream,
You have sung to me in my aloneness,
And I of your longings have built a tower in the sky.
But now our sleep has fled,
And our dream is over, and it is no longer dawn.
The noontide is upon us,
And our half wakening has turned to fuller day,
And we must part.
If in the twilight of memory we should meet once more,
We shall speak again together,
And you shall sing to me a deeper song.
And if our hands should meet in another dream,
We shall build another tower in the sky.

THE TIME IS HERE. . . THE YEAR IS NOW.

One of the most rewarding times in a high school career is the junior year. This year's officers were President Linda Shipkey, Vice-President Denise Brown, Secretary Carol Cosentino, Treasurer Patti Kitto, and Representative Nayree Anderson.

This year's prom was held at Lion Country Safari. It took a lot of candy sales, money raisers, and class get-togethers to make this class a success, and the class of '78 is showing they have it.

Junior Class Officers: Nayree Anderson, Patti Kitto, Carol Cosentino, Denise Brown, and Linda Shipkey.

FRESHMEN'S TOMORROWS START TODAY

The class of '80 wasted no time in getting involved in school activities. Led by President Dina Gardner, Vice-President Kim Smith, Secretary Stacy Sakalis, Treasurer Sonja Stoen, and Representative Kelly Rider, they began by constructing a Homecoming float. Their major fund raisers were a car wash and a candy sale. With yesterday behind them, they look forward to their tomorrows.

DAVE BROWN AND BOB PATTERSON HONORED AS TEACHERS OF THE YEAR

The results of this year's balloting for "Teacher of the Year" produced a tie between two very deserving teachers: Mr. Dave Brown and Mr. Bob Patterson.

In the three years that Mr. Brown has taught here, he has enjoyed being involved with various school activities including: Wildcat adviser, assistant wrestling coach, and Junior class adviser. His free time is spent fishing, traveling, and playing slo-pitch softball.

Mr. Patterson has also been involved with school activities. He was the adviser of Brea Bible Study and has also served as the varsity basketball coach. He has taught Spanish for eight years at Brea-Olinda and has been enjoyed by many students during that time. Leisure time for Mr. Patterson has been spent by playing racketball and tennis. He also enjoys reading.

The enthusiasm and involvement shown by both teachers are what have given them the "Teacher of the Year" honor.

ADMINISTRATORS DO IT AGAIN

The Brea-Olinda administrators, Principal Gary Goff, Vice-Principal Les Bishop, Activities Director Bud Hilleary, Dean of Guidance Maxine Whisnant, and Dean of Students William Laverty, have worked hard this year to deal with the upcoming and present problems. They have done a great job to make the school a better place in which to learn, and are greatly appreciated by all. Counselors Pat Fox, Victor Hassing, James Vawter, and Robert Saulsbury have worked directly with students to improve their educational goals as well as deal with personal problems.

SCHOOL BOARD MOVES AHEAD

"ACTION," that has been the key word for the Brea-Olinda School District school board this year. The school board has moved ahead to make Allan Affeldt, our high school representative, a speaking member of the board. Our school board also acted responsively to community and teaching staff concerns. It is with much pride that we thank the members of our school board for always driving forward to uplift the quality of our education.

BREA-OLINDA'S OWN V.I.P.'S

The classified staff at Brea-Olinda truly are very important people. Without them, our high school wouldn't be a beautiful place to come to. Too often these people go unthanked. Although the work they do goes on behind the scenes, it is always appreciated and never goes unnoticed. Thank-you to these people for making the atmosphere of our school a cleaner one.

The 1976 Varsity Wildcats, under a new coaching staff, began to rebuild the entire football program this year. With only a few seniors on the squad, the team was made up primarily of underclassmen. Head coach Jim McAllister was a firm believer in dedication and hard work, and even though his team did not finish the season with a winning record, he felt as though the entire team followed through with his two beliefs.

The team's tri-captains were returning lettermen Al Martinez, Karl Zappa and Cal Haney. These three players showed leadership both on and off the field.

The Wildcats won two of their three victories by forfeits over Laguna Beach in the season opener and against Canyon during league. The final win came against Valencia in a 20-14 action-filled Homecoming game.

The award winners of this year's squad were: MVP Defense: Alfonso Martinez, MVP Offense: Paul Rosell, Most Inspirational: Karl Zappa, Most Improved: Todd Anderson. The Wildcat of the Week awards were also given out. They were as follows:

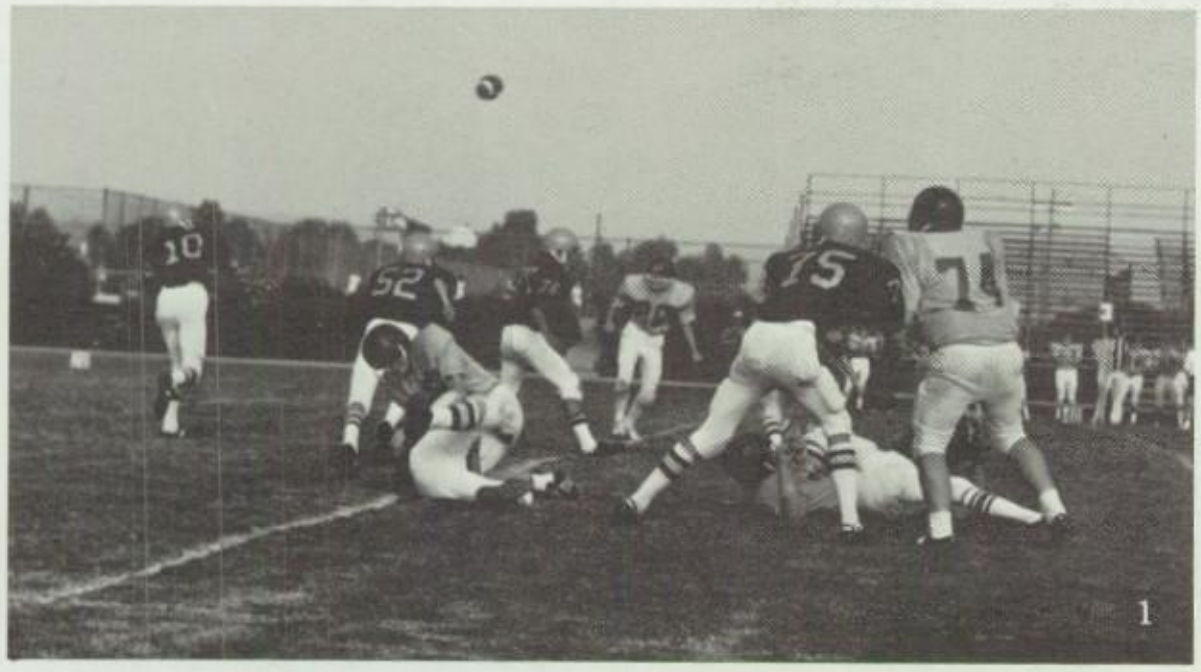
FRESHMAN TEAM GAINS EXPERIENCE



This year's freshman squad gained valuable experience while competing in a very tough league. They started the season with two strong victories over Laguna Beach and El Toro. Although they did not taste victory again until the last game of the season against Valencia, the remaining games were filled with excitement. The freshmen were involved in many close, hard-fought games. As head coach Dennis Engle stated, "Our freshmen were a hard hitting team. They were never physically beaten; many close games showed their reluctance to give up." This year's team was led by co-captains Tim Hutcherson and Ralph Seamen. PEP SQUAD ENLIGHTENS SCHOOL SPIRIT

This year's Pep Squad started working as soon as school let out last June. Getting up every summer morning at five o'clock is just one example of their dedication. The girls attended sports that were less recognized, which showed the coaches, players, and student body what a great Pep Squad we have. The Pep Squad's adviser, Boots Ott, coordinated all of the activities and made each event a little easier. This year's officers were President Rose Mueller, Vice-President Fern Whitesell, Treasurer Lori Barber, and Secretary Lori Kennon.

GUSHER STAFF CAPTURES YESTERDAYS

The Gusher Staff was one of the busiest groups at school this year. The staff did most of its work before and during September, when the cover, endsheets, and page ladder had to be planned and designed. Most of the income came from selling Gushers, ads, candy apples, and from the paper drive. Little do most people know that producing a yearbook is a fourteen thousand dollar operation, and that the staff has to write all the copy, take all the pictures, and raise all the money, with deadlines on top of that! But with the help of Adviser Paton Marshall, Editor Vera Dukic, Asst. Editor Jean Fanning, and returning staff member Tami Galvin were able to prepare all the new staff members for yearbook editing.

WATER POLO: CIF QUARTER FINALISTS

Boasting their best year ever, the Varsity water polo team ended the season as CIF quarter-finalists with an 18-3 record. New individual records show Steve Arlt with 259 saves, Gordon Gresch with 105 goals, and Dan Moon with 49 assists. The team was made up entirely of outstanding individuals and their combined efforts. Such efforts placed five men on the All-Orange-League teams. Named to the first team were Gordon Gresch, who was voted MVP for the second year in a row, and Steve Arlt, his third year on an all-league team. On the second team were Dan Moon and Randy Moody, with Bill Tripp receiving honorable mention. Gordon Gresch and Steve Arlt were also named to the All-CIF team. "It was an outstanding year. We played with five juniors and two seniors. It was truly a team effort," said Coach Steve Johnston.

OCTOBER 29, COSTUMES AND KISSING

October 29—one of the most interesting days in the history of Brea-Olinda. That was the day when students had the chance to participate in one or more of three activities. They could dress up as hillbillies, as a pre-Sadie activity, or dress up as anything for Halloween. But the activity that got more students involved than both of these put together was the kissing booth. All week long students picked up trash and Executive Council gave out tickets. Then on Friday, these tickets were traded in for kisses from students from La Habra High School. In this year of higher prices, Executive Council was wise to use natural resources(?).

They held their annual Sadie Hawkins Dance, which was a great success, on October 30. Some other activities they held were the Jr.-Sr. Powder Puff, and the Awards Banquet, where girls were honored for their achievements throughout the year. They also sold football spirit ribbons, and for the first time they sold basketball ribbons. Introduced into league competition for the first time was girls' cross country, which was coached by Boots Ott. To show their Christmas spirit, all of G.A.A. got together and went Christmas caroling.

November...

HER MAJESTY QUEEN JANET

This year, as always, Homecoming was a very exciting event. The Senior class voted on five girls whom they thought were outstanding in the areas of involvement, personality, and appearance. Throughout Homecoming Week, these girls and their escorts, as well as everyone else, participated in all the various events.

On Friday, November 12, there was a large and excited crowd in the stands awaiting the floats (of which the Seniors' won) and the crowning. When halftime finally came, the excited crowd became silent as the princesses and their escorts walked out onto the field. The first princess to be crowned was Lori Barber, then Kelly Mayfield, Margo Trapasso, Lora Gamboa, and last but not least, a very happy Janet Yates. To top off the evening, the Wildcats won the game against Valencia, 20-14.

G.A. INTRODUCES CROSS COUNTRY

Cross Country was a new name to G.A. this year. It involved girls who wanted to run long distances, not only around a track. Girls who wanted to go through obstacles, up hills, over puddles, and have fun doing it at the same time. Brea competed in every meet, and everyone did her best for the first year. There were twelve hard-trying girls on the team all through the season. They were Lori Carle, Lucia Gambina, Kim Hambelton, Jeannie Hoffa, Rhonda Kozumplik, Cathy McCart, Rita Olson, Denise Sarette, Vicky Shafer, Melinda Steele, Brenda Turner, and Kelly Yates. Leading the girls through their season was Coach Boots Ott.

SINGLE BELL

The second annual Christmas Formal, put on by the Senior Class, was a success. Couples danced the night away to the music of Valhala. Santa made a surprise visit and granted everyone's wishes. Sherri,

L-R: Coach G.Lloyd, E.Gramberg, K.Shepard, C.Johnston, K.Bowland, B.Davis, P.Henderson, A.Francis, D.Schofield, D.Hanggie, B.Salis, T.Emeterio.

Brea Olinda's mighty Wildcats finished their season with a highly respectable 18-9 record. The Wildcats finished league with a record of 10-5. This placed them in third place and a berth in the CIF playoffs. The Wildcats faced a tough Ganesha in the first round. Although Brea led the majority of the game, they failed to overcome an explosive Ganesha fourth quarter. Brea rallied to fall only five points shy of victory.

Head coach Gene Lloyd, in his third year at Brea, did however lead his team to victories in the Cerritos, Laguna, and his own Brea tournaments. The Wildcats took home a first-place trophy from Cerritos, fourth place from Laguna, and they obtained third place in Brea's Christmas tournament.

Co-captains for this year's squad were senior two year lettermen Bill Davis and Eric Gramberg. Eric was also rewarded with being the Most Inspirational Player and led the team in assists. At the same time, Bill Davis was both the Top Rebounder and also the co-award winner of the MVP. Phil Henderson shared this honor with Bill. The Most Improved Player was Kevin Bowland, and Ken Shepard was the Top Freethrow shooter with 81 percent.

FRONT ROW, L-R: S.Tarbell, Coach R.Jones, D.Rodia, K.Ham. SECOND ROW: D.Zaccagnino, C.Beach, F.Sharp, D.Zaccagnino. NOT PIC: J.Shepard.

The Junior Varsity team was led through the first half of their season by youth and inexperience. This was until the addition of Andre Francis and Ken Shepard. These two players helped to pace the JV's to win seven of their last nine games and to pull out an even 12-12 season. Coach Rick Jones also lauded the performances of MVP Stan Tarbell, Captain Dan Zaccagnino, Kevin Ham, Jim Shepard, and Chris Beach. Ken Shepard was the team's offensive weapon averaging over 20 points a game. Dan Zaccagnino and Stan Tarbell also consistantly scored in the double figures throughout the entire season.

Soph Team, L-R: S.Hebert, D.Reid, T.Cuozzo, J.Drum, C.Rich, C.Anderson, C. Bates, S.Spillers, R.Donk, L.Bugbee, R.Duran.

The Sophomore team, under the coaching of Bruce Cooper, compiled a record of 5-17. Although their record was not impressive, outstanding individual efforts were turned in by Captain Cam Anderson and MVP Dan Reid. Chuck Bates and Tom Cuozzo also turned in excellent seasons.

First year coach Mike Lowe did an excellent job of acquainting both himself with coaching, and the freshmen with tough high school competition. This year's squad earned a respectable 11-10 season. The team was led by Captain Bill Nevell and MVP Charlie Boss.

Varsity, L-R: D.Hanggie, S.Davis, L.Salovesh, D.Shamblin, M.Johnson, T.Anderson, M.Kwast, K.Mayfield, V.Dukic, D. Pa Pacheco.

Girls' basketball is getting more competitive. The Varsity team, which had rough opposition this year, was made up of seven seniors, two sophomores, and one freshman. Coach Boots Ott chose girls who worked hard throughout the season. Their captain was senior Debbie Shamblin, who inspired her team with spirit and support. Everybody worked together 100 percent on the court and achieved a great sense of unity. Co-Captains and returning players Karla Lanthripe and Debbie Farrell led the Junior Varsity team through a good season. Newcomer Jane Taylor worked hard, and also got the highest number of rebounds. Coach Sharen Caperton was impressed with this year's team and looks forward to 1978.

VARSITY COMPILES 20-3 RECORD

FRONT ROW, L-R: R.Figueroa, G.Raine, E.Buckner, C.Raine, M.Wyatt, D.Ladd, H.Buckner. BACK ROW: Coach S.Roper, J.Martinez, G. Fisher, G.Allred, R.Johnson, R.Giffin, K.Reber.

Led by aggressive and experienced Seniors, the Wildcat's Varsity wrestling team compiled the strongest record in the sport's short history here at Brea: 20-3. Even though the Wildcats finished behind El Dorado in the ever tough Orange League, they dominated all outside competition, winning both the Brea and University Tournaments, and finishing second in the 16-team Orange vs. Freeway League Tournament.

The tri-captains for the 76-77 squad were Seniors Gordon Allred, Joel Martinez, and Mark Wyatt. These three were the major factors in the team's success. Allred, a four-year letterman, set school records for the most wins with 31, and also for the most pins at 26. Along with these honors, Allred was selected as the team's most valuable player. The three Breans who qualified for CIF competition were Allred, Wyatt, and Johnson. Harold Buckner was selected as being the most improved wrestler.

J.V. POWERS THROUGH LEAGUE

If the performance of Brea's J.V. wrestling team is any indication of what is in the Varsity's future, then Wildcat fans can have high hopes. The 76-77 J.V. squad tallied a strong 16-5 record.

With only one senior competing on the J.V. level, they won the Orange vs. Freeway League J.V. Tournament with a perfect 8-0 record. Almost the entire team will return to bolster the Varsity ranks.

Had it not been for a few key injuries, the J.V. squad might well have been the Orange League champs, as they won their last four league matches in crushing form.

Special J.V. honors went to Juan Lopez as the most valuable and to Gary Raymond as the most improved wrestler.

FRONT ROW, L-R: A.Garcia, C.Oldroyd, J.Lopez, K.Brewer, D.Neal, G.Raymond. TOP ROW: G.Wilson, T.Leewood, D.Ball, B.Brockmeier, M.Riley, P.Villa, Coach D.Brown.

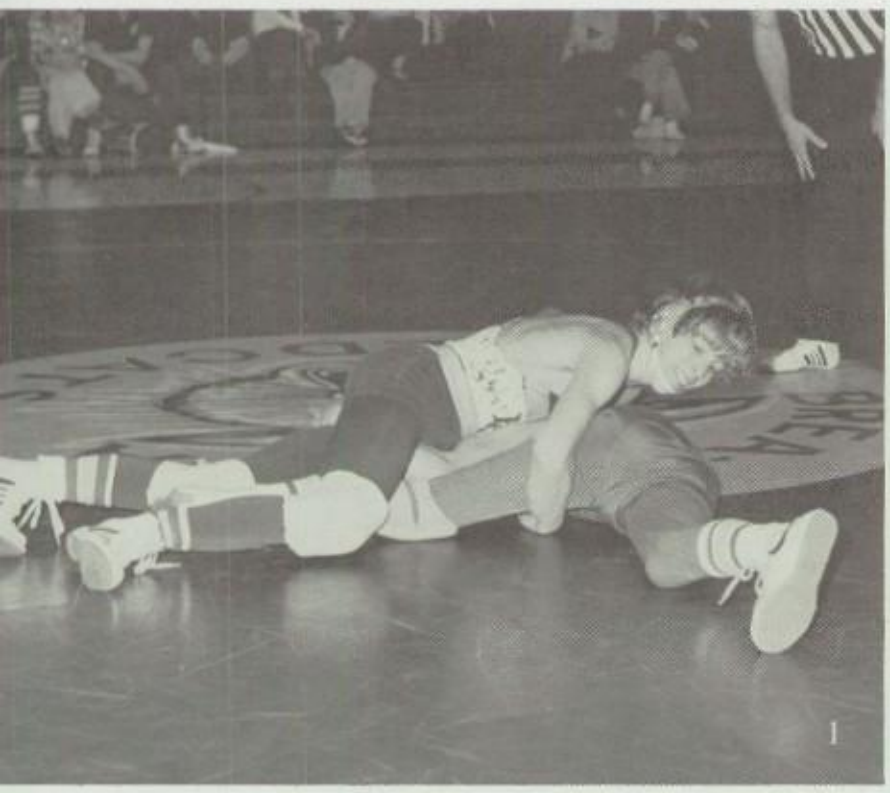
ROOKIE WRESTLERS SHOW STRENGTH

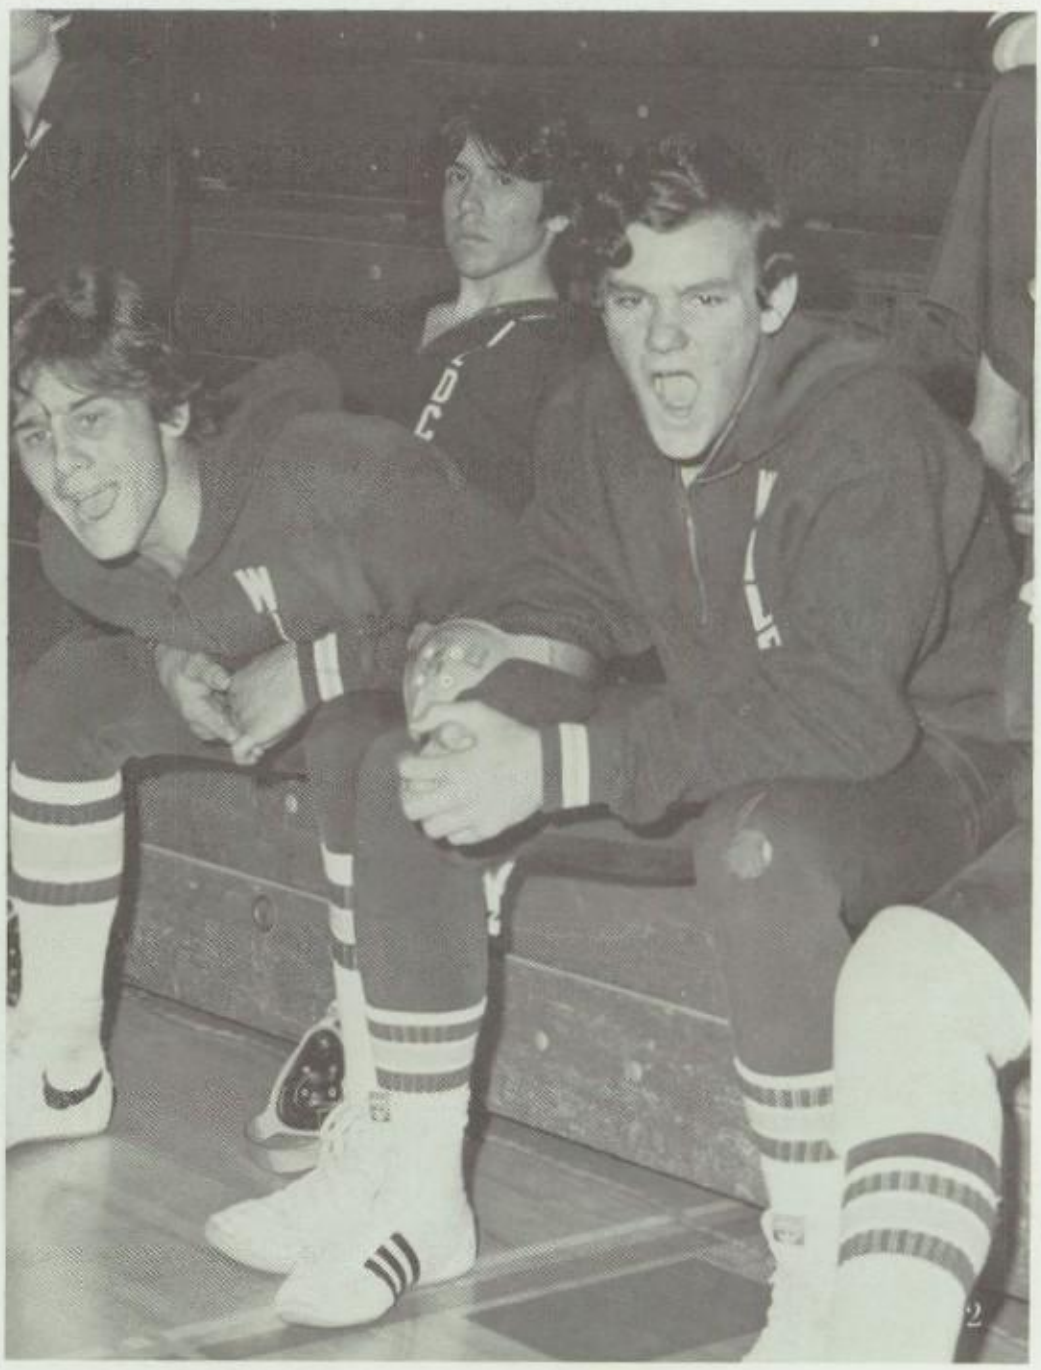
FRONT ROW, L-R: C.Taylor, S.Kiunke, K.Hobbs, G.Marrow, R.Martinez, T.Tuttobene, D.Parque. BACK ROW: Coach D.Denley, G.Fredenberg, B.Olsen, B.Leewood, M.Lockhart, C.Sciano, T.Allison, Coach L. Gebhart.

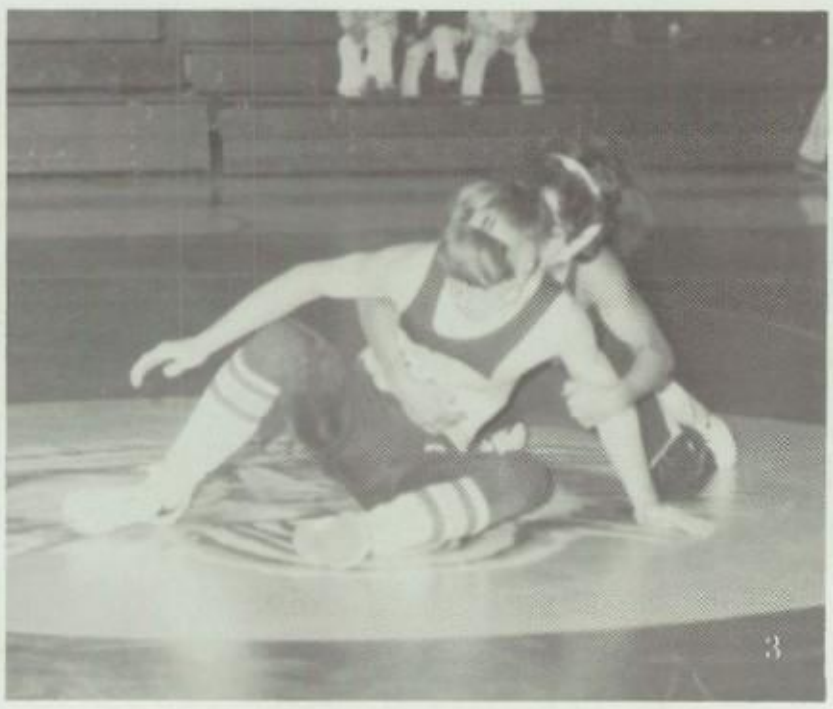
Paced by a strong group of rookie wrestlers, the Frosh-Soph wrestling squad compiled a respectable 5-4 record for the 76-77 season, and brought hopes for some very successful performers in the future.

Although the team ended up in the middle of the Orange League race, they were in the thick of the competition throughout the entire season. The squad finished with a surge, winning three of its last four matches and dropping the other by only a single point.

The individual honors went to Chuck Sciano as MVP and Kevin Hobbs as Most Improved.







1. Kevin Hobbs prepares to pin his opponent.
2. Mike Lockhart and Brian Leewood shout out words of encouragement while Chuck Sciano looks on.
3. Dave Parque finds himself in a sticky situation.

STUDENT *Art* BRIGHTENS SCHOOL

The new year started off with many improvements to the school. One of them was the addition of many murals done by the Environmental Art students. Manuel Reynoso, representing the Brea Women's Club in an Orange County art contest, received a twenty-five dollar bond, although he didn't place in the contest. BOYS OF THE YEAR

Two record-setting Wildcats, both named Gordon, tied for 1977 Boy of the Year honors. Both made outstanding records in their separate athletic areas, made other important individual contributions to the school, and achieved high academic honors.

Gordon Allred's sport is wrestling—he is the first four-year Varsity wrestling letterman at Brea-Olinda. He set school wrestling records for the most wins and most pins, and he was captain of the team for two years. He also won the title of Most Outstanding Wrestler in both the Brea and Fullerton College tournaments. His "other sport" is football in which, for his Varsity achievements, he was named All Orange League Second-Team Noseguard.

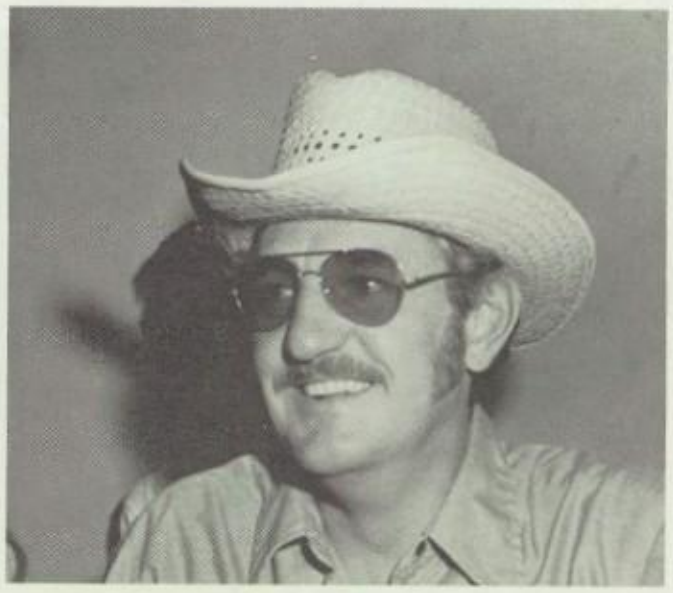
On the local stage Gordon has taken part in drama productions, assemblies, and pep assembly skits. Scholastically, he has earned a 3.5 GPA, and he's a member of CSF and National Honor Society. He'll probably major in math for the next four years, possibly at Brigham Young University.

Gordon Gresch's double arena is the pool. In water polo, he holds the school records for most goals scored, most assists, and most goals in a single season. Twice named MVP for both Brea and Orange League, he was also picked in both his junior and senior years to the All-CIF First Team. In swimming, Gordon holds five Varsity, six Junior, four Sophomore, and four Freshman school records. This year he was captain for both water polo and swimming.

For his high academic achievements, he too is a member of CSF and NHS. He plans to go on from here to major in horticulture, an interest that has grown from his participation in an Agriculture class that helped to landscape part of the school. More familiar to most students, perhaps, has been his byline on feature stories in the *Wildcat*.

Brea is honored by these two men of the year as it honors Gordon and Gordon.

BOYS' FEDERATION



This year marked the second year of Boy's Federation. Working close together, President Allan Affeldt and Advisor Mr. Cookson planned meetings and assemblies. The Boys of the Month were chosen by the teachers based on their grades and leadership abilities. The cabinet members were John Patterson, Karl Zappa, Doug Feldman, Allan Affeldt, Chris Beach, Mr. Chuck Cookson, and Bob Blanks.

Bright Lights and Promises

"Bright Lights and Promises" was the theme for the 1977 Co-Ed formal sponsored by Girls League. The annual event, for which the girls selected their own escorts, was held on March 5, in the Mt. San Antonio College Student Lounge. The band Starblind provided the night's entertainment. The Co-Ed couples, elected by their classes, participated in the week-long competition to collect points. This year's couples were Seniors Janet Yates and Ron Dubay, Juniors Patti Kitto and Randy Moody, Sophomores Kelly Jones and Jim Shepard, and Freshmen Ronnette Leonard and Todd Lancaster. Reigning as Co-Ed king and queen were Randy Moody and Patti Kitto.

GIRLS' LEAGUE PREPARES FOR TOMORROW

The 1976-77 Girls' League Cabinet enthusiastically planned and executed the year's activities. The year began with the annual Big-Little Sister Party, which featured an original tee shirt contest. Welcoming back the students was a successful Hello Week, climaxing with the Hello Dance. Homecoming featured a Carnation Sale, a pie-eating contest, Senior Dress-Up Day, and a dance. Christmastime brought the Candy Cane Sale, Christmas Card delivery, and Teacher's Tea. "Bright Lights and Promises," this year's Co-Ed, was held at the Mt. San Antonio College Student Lounge. In addition to these activities, the girls planned a Mother/Daughter Social, Birthday Card delivery, assemblies, and Welfare projects. Under the leadership of President Kelly Mayfield, the year was very successful.

GIRL OF 1977

"Supergirl" Lisa Salovesh was rightfully and happily recognized as 1977 Girl of the Year. A look at her service and accomplishments during these four years at Brea-Olinda High School shows that she has been involved in almost every kind of activity, that she has overcome all obstacles, and that she has done great things for the students and her school.

She did a terrific job as Student Body President this year, providing leadership, devoting hours of effort, and being open to new ideas and the solving of problems. She was ASB vice-president last year and has held the offices of class president, class secretary, and recreation commissioner.

Representing Brea students to the community and the state, she has held appointments to the PTSO, the board of education, and the city parks commission, and was our delegate to the California Student Advisory Board on Education, a CASC representative to the California Association of School Administrators, and the state school board.

She has bounded over educational obstacles on campus in super style. For her high scholastic average, she is a member of CSF, and last year earned B's in two college courses she took in Operation Bridge. Leaping over greater distances, she was a member of the Bicentennial Highway History summer tour of America.

Lisa's interests and abilities are broad. She has been great in athletics, lettering in six interscholastic sports, captaining the Powder Puff football squad, being an officer in GAA, and receiving GAA's Highest Achievement Award. She has matched her skills on the field with skill on the podium. A member of Speech Club, the Debate Team, and the National Forensic League, she helped to bring the nation's Bicentennial alive on campus as an organizer of Free Speech Week, and she was a 1977 finalist in the Lions' Club speech contest. An actress in several plays, she is a member of the International Thespian Society, and she was voted Best All-Around Drama Student. But Lisa has been best known for her warm personality and her wild sense of humor. Not surprisingly, she was elected 1977's graduating student "Most Likely to Succeed."

Her next step in accomplishing that will be going to the University of Redlands where she was awarded a full tuition scholarship; her study objective: law. Lois Lane and Clark Kent, step aside for "super" Lisa.

It's Fifties Time!

The echo of softly stepping oxfords and the sounds of be-bopping rang through the nostalgic halls of old B.O. on March 18, Fifties Day. Almost everyone dressed for the occasion and gathered around Senior Square at lunch to watch Chuck Cookson and Boots Ott win the dance contest and cheer for the winners of the Fonz and Pinky contest, Mitch Zehner and Karen Crews. SENIORS STOMP 14-0

The annual Powder Puff game between the Juniors and Seniors was held on March 18 after weeks of strenuous practices. The Juniors showed power early in the game, but it was not enough for the mighty Seniors. Seniors Debbie Shamblin and Nancy Fyler connected once in the first half for a touchdown, but missed the extra point. They tried again in the second half and connected for a touchdown and the extra point. Gordon Gresch was crowned this year's Powder Puff King at the halftime events. The Seniors came back strong after halftime and ended the game in a 14-0 stomp.

REACHING OUT

The 1976-77 Dance Production Class, under the direction of Mrs. Carole Finn, presented the seventh annual Modern Dance Concert, "Reaching Out," on April 21 and 22. This concept of using the body to communicate ideas and thoughts is the reason that dances are designed and performed.

ROTARY CLUB

Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

1. The development of acquaintance as an opportunity for service;

2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;

3. The application of the ideal of service by every Rotarian to his personal, business and community life;

4. The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.

THE FOUR-WAY TEST

of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOOD WILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

FINLAND SENDS EXCHANGE STUDENT

Brea's year-long guest, Ritva Kokkola, thinks that America is a great country, and she loves the California sunshine. In her native Finland, it rains a lot, and there are about four months of snow. A very outgoing person, she likes to meet and be with people. Born seventeen years agon in Helsinki, she enjoys many interests, including art, music, her studies—she made the Honor Roll—and especially sports. She was on the swimming team, and whenever she could she went water skiing, a sport she learned here. In Finland she enjoys snow skiing, ice skating, and hockey. She thinks it's "neat" to be able to see and do so much here in Southern California, from skiing in the mountains to surfing in the ocean.

She feels that kids in Finland are more independent than we are here, getting jobs earlier. Possibly that's because bus transportation is so much better there—everyone uses it. But she loves our television; Finnish TV is limited and lacks the kinds of entertainment we enjoy. She made many friends here, and she said that her year among us as a Wildcat was really great.

SENIOR DITCH DAY

"COMMON COLD STRIKES BREA SENIORS"

On February 4, the common cold struck Brea-Olinda seniors in epidemic proportions, or so it seemed. The seniors this year didn't fail to keep that forever-long tradition of senior ditch day. This year's expedition led the class of seventy-seven to Big Bear, where seniors spent an educational day making snowmen, skiing, sliding down hills, and just playing in the snow. Although most seniors came home with wet feet, cold noses, and coughs, they also came home with a smile, and the memory of a day that the class of seventy-seven spent together as friends.

1. Dan Walker shows fellow seniors his imitation of Bigfoot.
2. Will Laura Shipkey crash into the tree that lies ahead of her?
3. Lori Server thinks she just saw Mr. Goff.
4. John Panozzo, Cheryl Erich, and Debby Luesse make a friend on Big Bear Lake.

The first thing I would like to say is thank-you to the whole staff and Mr. Marshall, because without them, this book would have never been. Even though there were a lot of hard times and we thought we'd never be able to do it, we finally did. I admit there were times when I was frightened, but now that it's done, I know it was one of the best experiences I've ever had. I encourage everyone who still has a chance, to try out for the staff, or just get involved and do something. I hope you Seniors will also take this idea out into your tomorrows, because unless you do, you'll find that your todays have passed quickly and you have only empty memories of yesterday.
